Checklist for Site Signs

Listed below are considerations that must be taken into account when making a new Site Sign.

1. What is the purpose of the sign?
2. Will the sign be a temporary or permanent sign?
3. What size will the sign be?
4. How many colors do you need on the sign?
5. When do you need the sign to be finished?
6. Do you have artwork for the sign or will you need design services?
7. How do you plan on displaying the sign? Will it be on a wall or will you use 4x4 Posts to put the sign on?
8. Do you need installation services or can you install the sign yourself?
9. Do you have a budget for the sign?

Each of these items will play a part in designing, the cost and the making of your sign. We hope this checklist helps you begin creating the sign you need. If we can provide you with more information, give us a call at: 850-390-5686. Thanks!
